

TENNIS COURT CRACKS?

WE **GUARANTEE**
THEY WON'T COME BACK.

RiteWay

Guaranteed Tennis Court Crack Repair

www.RiteWayTennis.com

OUR GUARANTEE TO YOU:

The **RiteWay** Crack Repair System (patent pending) utilizes a micro-technology that allows the existing cracks on your court to move without breaking the membrane of this system. Many who have tried other systems have complained about “dead spots”, “hollow sounds” and “bubbling”. Although these other systems keep cracks from coming back, the **RiteWay** Crack Repair not only keeps cracks from coming back, but its micro-technology does not have any dead spots, hollow sounds or bubbling. We even offer a 2-year warranty on existing cracks from returning.

Installed by a Certified **RiteWay** Contractor, this system will cost you the same as other systems, however over time it will save you thousands of dollars. Traditional methods leave unsightly repairs each year – **RiteWay** will keep your court looking new and playing safe year after year without having to wait in the spring for your yearly repairs to be completed.

No other overlay system can give you **RiteWay** results or **Guarantee**. We’ve seen the other systems on the market, but none of them can give the **Guarantee** that **RiteWay** offers. Our proven success and durability will last much longer than the written **Guarantee**.

The installation is so unique that many tennis court owners can’t believe its proven success until they see it for themselves. The repair comes with a 2-year conditional warranty.

When considering your repair options, you have to ask yourself: are you still repairing cracks the old traditional way?

Or are you ready to repair them the **RiteWay**?

NO HOLLOW-SOUNDING AREAS. NO DEAD SPOTS. NO BUBBLING. A TRUE BOUNCE.

WELCOME TO CRACK REPAIR DONE THE **RITEWAY**:

RiteWay is a long-term repair system that uses Micro Sealant technology to water-proof existing cracks with an overlay system. When installed, it creates an invisible repair which is **NOT** affected by weather or temperature.

RiteWay is 100% playable – which means **NO DEAD SPOTS** or **BUBBLING** or **HOLLOW-SOUNDING AREAS**. Period.

Rite Way comes with a **2-year warranty** on repaired cracks at a cost of 50 to 70% **BELOW** re-construction. Isn’t it time you tried crack repair done the **RiteWay**?

The next few pages demonstrate the RiteWay crack repair process.

Properly filled crack. Routed and filled from bottom up, then buffed smooth.

Applying RiteWay MicroSealant tape to the crack.

Buffing a filled crack until smooth and level.

Cutting the tape to match changing direction of crack.

Applying acrylic to first layer of tape, then applying stress matt (fabric).

Coating stress matt (fabric) and rolling smooth to ensure no wrinkles or air bubbles.

Applying stress matt with wet acrylic and no sand.

Applying bonding edge and coating with acrylic.

Cutting bonding where crack changes direction, then coating bonding edge with acrylic, no sand.

Completed RiteWay crack repair. Guaranteed for 2 years!

Coating the bonding edge.

Repairs are coated with acrylic with sand 2-3 time before first coat of resurfacer to entire court. This hides the repair.

Colored court before lines are painted in.

No bubbles. No dead spots. No hollow-sounding areas. A true ball bounce!

**Finally.
